

An Update ON MONEY MARKET FUNDS

April 9, 2009

Wilmington Money Market Funds Extend Their Participation in Treasury Guarantee Program

On March 31, 2009, the U.S. Treasury Department announced an extension of its Temporary Guarantee Program (Program) for money market funds. Wilmington Prime Money Market Fund, Wilmington U.S. Government Money Market Fund, and Wilmington Tax-Exempt Money Market Fund have been participating in the Program since it was initially offered, and the funds' Board of Trustees elected today to extend the funds' participation. In accordance with the trustees' decision, the funds will file the required extension notice with the U.S. Treasury. As a result of the funds' participation in the Program, shareholders in the funds have insurance provided by the U.S. Treasury on their balances—up to the amount held by them in each fund as of the close of business on September 19, 2008.*

Wilmington Trust remains confident about the stability of the Wilmington Money Market Funds, but is participating in the Program to provide an additional measure of assurance to investors.

All three money market funds seek to provide income while preserving capital and liquidity. They are managed to maintain a stable \$1.00 share price and none of the funds has ever slipped from that level.

Should you have any additional questions, please do not hesitate to contact your Wilmington Trust Relationship Manager or call 1.800.336.9970.

You should carefully consider the investment objectives, risks, charges, and expenses of the Wilmington Funds before investing. A prospectus with this and other information may be obtained by visiting wilmingtonfunds.com or by calling 1.800.336.9970. The prospectus should be read carefully before investing.

**The Wilmington Money Market Funds are participating in the U.S. Treasury Department's Temporary Money Market Guarantee Program. As a result, an account in any of the funds that was open as of September 19, 2008, may be guaranteed.*

The following limitations apply to the Program: (1) the guarantee will not apply to any increase in the number of shares of the fund above the balance held in an account as of the close of business on September 19, 2008; (2) if the share balance fluctuates, the guarantee will apply to the lesser of the number of fund shares held in the account as of the close of business on September 19, 2008 or the number of shares of the fund held on the date the insurance is accessed; (3) if an account is closed, any future investments in the fund through a new account will not be guaranteed.

The Treasury Department's temporary Program is scheduled to expire at the end of the day on September 18, 2009.

Investments in a money market fund are not insured by the Federal Deposit Insurance Corporation (FDIC) or any other government agency. Although they seek to preserve the value of their shareholders' investments at \$1.00 per share, it is possible to lose money by investing in these funds.

The Wilmington Money Market Funds are not deposits of or other obligations of or guaranteed by Wilmington Trust or any other bank or entity, and are subject to risks.

Brokerage services, mutual funds, and other securities are offered by Wilmington Brokerage Services Company (WBSC), a registered broker/dealer and wholly owned subsidiary of Wilmington Trust Company and a member of the Financial Industry Regulatory Authority (FINRA) and the Securities Investor Protection Corporation (SIPC). Wilmington Funds are entities separate and apart from Wilmington Trust and WBSC. This information is not intended as a recommendation or determination by WBSC that any fund is suitable for a specific investor. Investment products are not deposits of or other obligations of or guaranteed by Wilmington Trust or any other bank or entity, and are subject to investment risks, including the possible loss of principal amount invested. The Wilmington Funds are distributed by Professional Funds Distributor, LLC.
